	70:	Soviet Zone cutters are regularly searched for West in propaganda material as they return to their bases. The search is carried out by Russians.
25X1	1.	Comment: According to available reference material, whis appears to be the first reference to the HANSA as the AIRERT BAILIN.
25X1	2	comment: It may have been a torpedo boat of Gorwan sofigin on the "Vogel" choss.
